## RAEBURN IS WHERE YOU GO FOR ELEGANCE

Raeburn is an Olde English term which means *the river where one goes to drink*. So it's fitting that Raeburn's expressive, beautifully balanced wines begin in the heart of the Russian River Valley where some of the world's finest Burgundy grapes are grown.

Ripe, luscious and downright delicious, let Raeburn take you to the river to share a laugh with friends, enhance your favorite meal or just let the day fall away.

### RUSSIAN RIVER VALLEY TERROIR

The Russian River Valley is cooled by daily fog off the Pacific Ocean located a few miles to the west. Nearly every evening, fog flows east through the Petaluma Gap and up the Russian River channel producing diurnal temperature swings ranging from 35° to 40°F. Nature's air conditioning allows our Pinot Noir grapes to ripen gently over an extended time period – nearly 15 to 20 percent longer than neighboring regions – while retaining its bright, natural acidity.

#### 2017 VINTAGE

2017 started out similar to the previous year with an abundance of rainfall followed by a balmy spring allowing for a gradual start to the season. As the year progressed, vines were fortunate to not have any frost damage and temperatures rose leading to a great start to harvest. Cool nights and warm days allowed for adequate cluster development followed by late rains leaving the grapes to optimal brix levels. Extended hang time allowed for mature, ripe fruit with balanced acidity and well-developed tannins.

## WINEMAKER NOTES

Brilliant crimson in color, Raeburn Russian River Valley Pinot Noir leads with pleasing aromas of baking spice and vanilla. The palate is marked with stunning fruit flavors of lush wild blueberry, raspberry and blackberry with undertones of roasted hazelnut. The finish is graceful and sophisticated.

## VINIFICATION

Our Pinot Noir grapes are hand-picked during the cool early morning hours to preserve their fresh, delicate flavors. Once the grapes arrive at the winery, they are carefully destemmed and cold soaked for several days to enhance color and flavor. Fermentation takes place in small, open top containers with twice daily punch downs to intensify color and structure. After a gentle pressing, the wine is racked several times and transferred into French oak barrels, 25% new, for 11 months of aging.
