Introducing

High Flier

RAEBURN CHARDONNAY

An Elevated Expression Of Chardonnay

Raeburn launched in 2014 as a tribute from a son to his mother. In eight short years it has grown to be the #5 Ultra-Premium Chardonnay in the USA and it's ready to expand. We're proud to announce the launch of another exciting Chardonnay in 2023. Called High Flier, it has a unique oak regime and extended barrel aging resulting in an elevated expression of the wine that consumers already know and love.

CHARDONNAY

HIGH FLIER | RUSSIAN RIVER VALLEY

2021 CHARDONNAY

Crafted from our winemaker's favorite vineyard lots in the Russian River Valley and aged for 11 months in a combination of French, American and Hungarian oak barrels; the result is a supremely structured and flavorful wine that offers an elevated expression of Raeburn Russian River Valley Chardonnay.

- whole cluster pressed
- 100% barrel aged in French, Hungarian and American Oak
- 11 months oak aging 50% new
- 80% malolactic fermentation

TASTING NOTE

- **APPEARANCE:** Pale to deep gold
- **AROMA:** Pineapple, Lemon, Honeysuckle, Vanilla Bean
- **PALATE:** Medium-fill bodied with vibrant and concentrated flavors of baked pear, nectarine and honeydew melon
- **FINISH:** Juicy acidity with an opulent finish

WHO IS THE HIGH FLIER?

Phyllis Benham is. At the age of 14 she found her wings making history as one of the youngest female pilots to grace the US skies.

RAEBURN WINERY crafts complex, elegant wines inspired by founder Derek Benham's mother, Phyllis, and independently minded spirits like her. Named an Impact Newsletter "Hot Prospect" winery for three years in a row (2018-2020). At the Certified California Sustainable Winery facility the winemaking team crafts highly acclaimed wines that deliver delicious varietal character and express the spirit of Sonoma's most sought-after vineyards. The name Raeburn is Old English for "the river where one drinks" – a nod to free-thinking adventurers, like Phyllis, who dare to venture off the beaten track and flourish there.
