*Raeburn*  
WINERY  
*High Flier*

### VARIETAL COMPOSITION

100% Pinot Noir

### ALC.

14.2%

### pH

3.45

### TA

6.0g/L

### VINEYARDS

Our Raeburn High Flier wines focus on expressing the features of the Russian River Valley appellation, and what the region has to offer. This cool-climate growing region is influenced by the maritime climate and Petaluma gap breeze coming from the Pacific Ocean.

Our first offering is quintessential Russian River with over 80% of our grapes coming from the Green Valley AVA, an area famed for its Gold Ridge soils. Located in the Sebastopol Hills, the grapes benefit from the fine, sandy loams soils that are great for acid preservation. The result is incredible Pinot Noir.

48% Campobello Vineyard. We use all the fruit from this single vineyard lot rich with Gold Ridge soil.

35% Owsley Vineyard, Sonoma Cutrer Vineyard with Gold Ridge

13% MacMurray Vineyard

4% Balletto Vineyard

### BARREL AGING

11 months in a combination French Oak, (50% new)

### COOPERS

Francois Ferrer, Remond, Boutes

### VINIFICATION

Hand-picked during the cool early morning hours to preserve their fresh, delicate flavors.

Destemmed and cold soaked for several days to enhance color and flavor. The best, highest quality all free-run juice is selected for the High Flier Pinot Noir.

Fermented in small, open top tanks with 1-3 daily punch downs depending on flavors to intensify flavor and structure. Gently drained off of skins, then racked into French oak barrels, 75% Malolactic Fermentation.
